We got to give a little love, have a little hope
Make this world a little better

We got to give a little love, have a little hope
Make this world a little better
Try a little more, harder than before
Let's do what we can do together

We got to give a little love, have a little hope
Make this world a little better
Try a little more, harder than before
Let's do what we can do together

We got to give a little love, have a little hope
Make this world a little better
Try a little more, harder than before
Let's do what we can do together

We got to give a little love, have a little hope
Make this world a little better
Try a little more, harder than before
Let's do what we can do together

Give a little love (Give a little love)
Oh, oh, oh, oh
Sing about the love (Sing about the love)
Only if we try

Give a little love, have a little hope
Make this a little better
We could do it together, together

Give a little love, have a little hope
Make this a little better [Make it a better world]
Try a little more, harder than before
Let's do what we can do together
